

Aurea 6

Bass:	1 x 6" driver
Treble:	1 x 1.18" compression driver
Horn:	
Power:	150W AES. Nominal impedance 8 ohm
Sensitivity:	88dB/1W/1m. Max SPL 108dB
Frequency Response:	30Hz to 20Khz
Size:	557 x 344 x 114 mm
Weight:	Net 7.5 kg

This small and compact speaker can be used both as a surround system for big rooms or as screen system for smaller ones. Its narrow depth allows it to be embedded inside the wall to achieve a better looking result.

This model's performance, together with its state-of-the-art European components for both bass and treble that deliver a linear response up to 20Kz, make it a superb entry level to the Aurea family. It features a high resistance polyurea coating and a color customizable front trim in either lacquered or varnished finishing.
